Re: Docket No. 2009-0049 – In the Matter of the Application of Wai'ola
O Moloka'i, Inc., for review and approval of rate increases; revised rate
schedules; and revised rules: Extension of Time to File Supplemental
Response

Dear Commissioners and Commission Staff:

In response to CA-RIR-7b.4, regarding existing plant capacity, Wai'ola O
Molokai, Inc. ("WOM") stated that it would provide a supplemental response no
later than March 8, 2010. Due to illnesses of two employees involved in
compiling data for the supplemental response, plus an unanticipated operational
problem, WOM requires additional time to provide the supplemental response.

WOM will file its supplemental response no later than March 15, 2010.

WOM is authorized to report that the Division of Consumer Advocacy has
no objection to this extension of time for filing the supplemental response.

Very truly yours,

Michael H. Lau
Yvonne Y. Izu
